## GenVX Abrasive Blasting Helmet

# GenVX™

### The next generation of blasting...

Weighing a pound less than the leading competitor and coupled with a 45° cool tube and cheek pads, the GenVX™ is the lightest, coolest, most comfortable and most dependable helmet on the market.

### Lightest

- Full pound lighter than RPB Nova 2000 and Clemco Apollo 600
- No plenum or inner shell
- High-Density Polyethylene Construction offers superior strength-to-weight ratio

### Coollest

- Passes air directly over the head
- Cool tube chills air 45°
- Delivers the most air among competitive products in the industry

### Comfortable

- Six-point suspension with wide 1" straps
- Center breathing tube connection
- Cheek pads for increased stability

### Dependable

- 1000 APF independent third party documentation
- ANSI/ISEA Z89 Head Protection and High Impact Z87+ Face Protection
- "Grit Guard" visor and injection-molded door provides tight seal
